The Brady Brief - Working for Hispanic Families

Dear Friend,

Here in Congress, I have been working hard on behalf of Philadelphia's Latino community. Pennsylvania's 600,000 Latinos are an important part of our community and making sure that the government works fairly for everyone is one of my top priorities.

I have been moving forward with Congress' campaign to bring good jobs and opportunities to working families throughout the first district. The following are just some of the accomplishments Congress has made for Hispanic families, but for more information, please visit [my website](#).

- **AMERICA Works Act and the Currency Reform and Trade Act**

- Expands training and employment opportunities in manufacturing and construction, benefiting the 5 million Latinos working in those field

- **Veteran's Benefit Act**

- Increase job opportunities for veterans (including over 1 million Latino vets), increase assistance to homeless veterans, and provide important aid to their children and families

- **Children's Health Insurance Program Reauthorization**

- Provides cost-effective health coverage for 11 million children, including covering 1.5million Hispanic children who did not have health insurance previously

In addition, I am also a proud co-sponsor of the DREAM Act. This bill provides certain alien high school students with the opportunity to achieve conditional, permanent residency if they complete two years in the military or two years at a four-year college. I will continue to push forward with a plan for comprehensive immigration reform. The status quo cannot remain, and sensible, compassionate reforms are long overdue.

I am proud of the successes that we have had and excited about what we can achieve in the future. The Latino community is a vibrant, crucial part of our country, and I will continue to work every day to expand economic, educational, and citizenship opportunities for the Latino families in the First District of Pennsylvania. Should you have any questions about this or any other issue, please contact any of my offices.

Sincerely,
